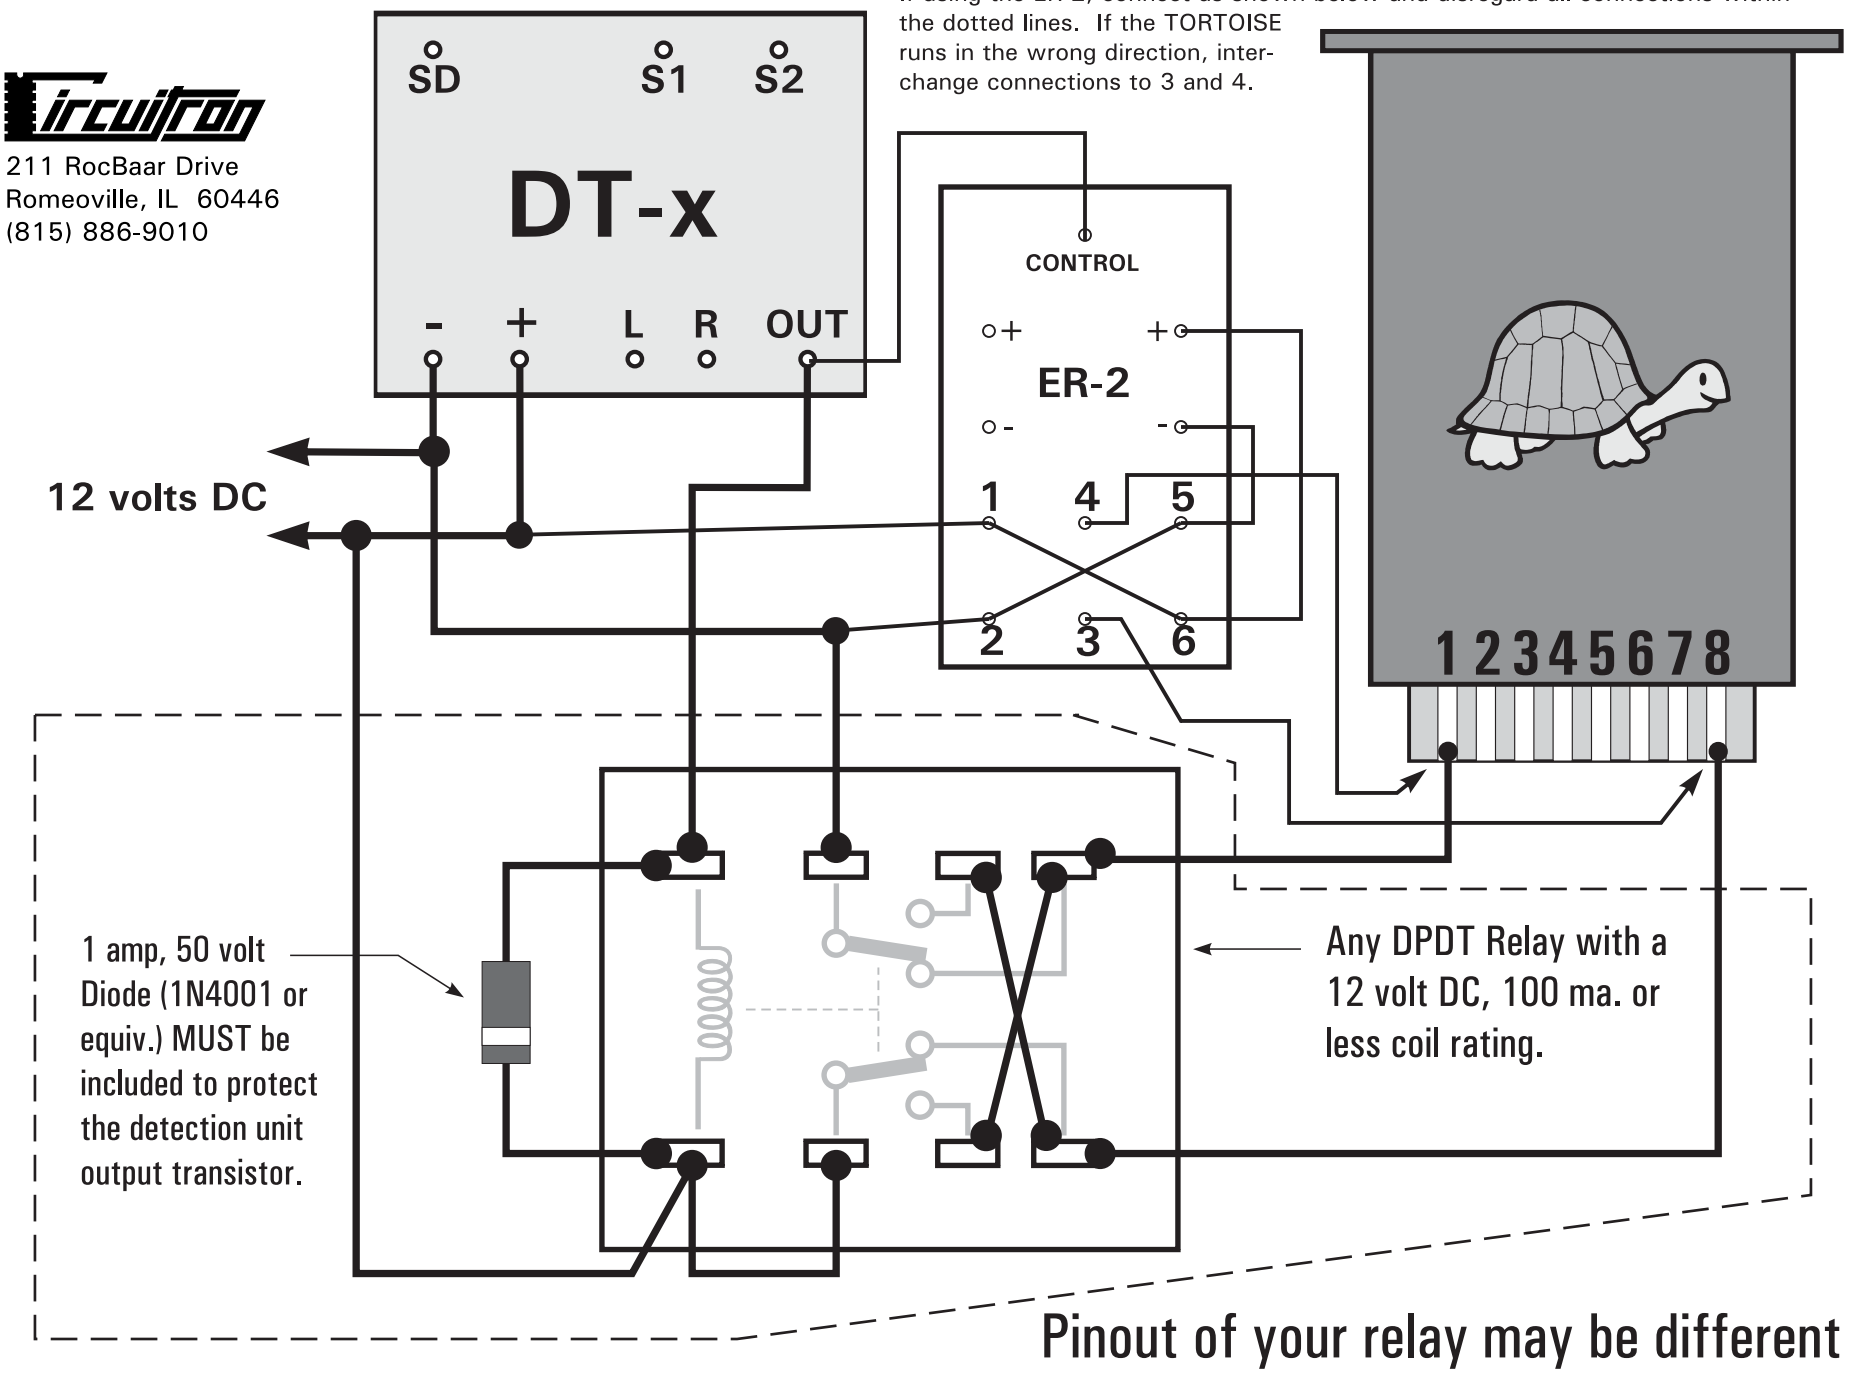
AN-6000-5 Connecting the TORTOISE™ to Grade Crossing Detectors for Crossing Gate Applications

Circuitron
211 RocBaar Drive
Romeoville, IL 60446
(815) 886-9010


If using the ER-2, connect as shown below and disregard all connections within the dotted lines. If the TORTOISE runs in the wrong direction, interchange connections to 3 and 4.
